Description

Fischer 10 Compartment Double Sided Storage Box (Special Order) offers a clear, practical storage solution designed for indoor use by industrial and trade professionals. It features ten well-defined compartments that facilitate organised placement of tools, components or paperwork. The double sided design enables easy access and efficient workflow within various professional tasks. Constructed with a clear finish for optimal visibility, it provides a reliable method for systematic storage and immediate retrieval of essential items.

Features

- Double sided design for efficient storage access
- Built from durable materials for long lasting performance
- Clear design enhances visibility of compartments and contents
- Special order option meets unique storage system requirements
- Secure compartments ensure organised storage and quick access
- FISCHER quality design delivers reliable performance for professionals
- Ten compartments offer flexible tool and equipment sorting
- Clear colour aids in quickly identifying stored items
