

Fasty Ratchet 5M x 25mm Black Tie Down Endless Strap 400kg

Description

Fasty Ratchet 5M x 25mm Black Tie Down Endless Strap 400kg is a tie down strap featuring a robust steel mechanism combined with durable polyester webbing. It is designed for reliable load restraint during transport and storage, offering practical performance for industrial and trade professionals. The strap provides secure fastening in both outdoor and indoor settings, utilising a straightforward yet effective design that minimises movement and ensures optimal stability.

Features

- Robust steel mechanism provides reliable tensioning
- Durable polyester webbing withstands repeated loads and impacts
- Rated capacity supports loads up to 400kg
- Efficient ratchet mechanism enables fast, secure tightening
- 5 metre length offers versatile securing for varied cargo sizes
- 25mm strap width enhances strength and load distribution
- Black finish gives a professional, unobtrusive look
- Suitable for indoor and outdoor applications
