

Rocket 125mm Flap Discs 60 Grit - 10 Piece

Description

Rocket 125mm Flap Discs 60 Grit - 10 Piece offers a robust abrasive solution for precise material finishing. Engineered for use with an angle grinder, these discs combine zirconium cloth, fibre backing and resin to deliver consistent surface preparation while operating at a maximum speed of 12,200 RPM. Their blue, black and silver design provides a reliable option for trade professionals, supporting efficient run times and dependable performance in various settings.

Features

- Striking blue, black, silver finish enhances tool visibility
- Zirconium cloth abrasive for consistent cutting performance
- Fibre backing offers stability during demanding operations
- Durable resin bond secures abrasive to backing
- Engineered for high-speed performance up to 12200 RPM
- Compatible with angle grinders for material removal tasks
- Suitable for both indoor and outdoor applications
- Flap design improves abrasive longevity and work surface finish

Product Code: FD12560Z

Specifications

Outdoor Use	Yes
Indoor Use	Yes
