

Product Code: FS60244

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Brake Type	Total
Fitting Type	Bolt Hole

Appearance

Product Colour	Grey
----------------	------

Construction

Wheel Core Material	Polypropylene
Wheel Material	Thermoplastic Rubber
Housing Material	Plastic
Bearing Material	Carbon Steel

Description

Colson 150mm Total Lock FS Series Castor 100kg is a special order castor designed to provide reliable performance for trade professionals. It features a polypropylene wheel core with a thermoplastic rubber outer wheel and is constructed using durable plastic housing and carbon steel ball bearings. The castor incorporates a bolt-fit design and total lock brake functionality, ensuring secure and precise movement control in both indoor and outdoor applications.

Features

- Robust thermoplastic rubber wheel provides reliable movement
- Total locking brake secures caster in fixed positions
- Engineered plastic housing offers durability and light weight
- Polypropylene wheel core for consistent load performance
- Precision ball bearing ensures smooth caster rotation
- Bolt hole fitting provides secure attachment to platform
- Single raceway design supports stable, controlled rotational movement
- Special order configuration caters to unique application requirements
