GDM 1M Replacement Hose

Product Code: G1700030-1

Description

GDM Professional Sprayers 1M Rubber Replcement Hose is a robust sprayer accessory designed for precision in liquid applications. It utilises a threaded hose with NBR/VITON seals to provide secure, leak-resistant performance and comes with all necessary hardware. Suitable for both indoor and outdoor use, this accessory offers reliable coupling and easy installation, ensuring professionals in trade benefit from durable, efficient operation during routine maintenance and system upgrades.

Features

- Durable threaded hose construction ensures reliable performance
- Robust NBR/VITON seal provides leak-resistant operation
- Suitable for both outdoor and indoor sprayer applications
- Includes necessary hardware for straightforward installation
- Black finish provides low-profile appearance in technical settings
- Precision threading supports secure attachment on sprayer systems
- Constructed to maintain performance under varying ambient temperatures
- GDM quality provides dependable service for daily spray routines
