

Easyroll 100mm White Nylon Bolt Hole Brake G7 Series Castor 100kg

Description

Easyroll 100mm White Nylon Bolt Hole Brake G7 Series Castor 100kg is designed for professional applications requiring reliable control and manoeuvrability. The castor features a white/silver finish with a nylon wheel core, stainless steel housing and ball bearings to deliver enduring performance. A total brake and bolt hole fitting ensure mechanical precision, while the single raceway optimises smooth movement. Its structure supports both indoor and outdoor use, adding value for industrial and trade professionals.

Features

- Robust stainless steel housing and ball bearing design
- Nylon wheel core providing low maintenance and smooth operation
- Total brake system enhances control during movement
- Secure bolt fitting ensures easy and reliable installation
- Durable ball bearing mechanism offers precise and steady rotation
- Single raceway design improves movement consistency
- Designed for performance outdoors and indoors
- White and silver finish adds visual clarity and versatility

Product Code: G71TS48G100

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Brake Type	Total
Fitting Type	Bolt Hole

Dimensions

Product Length mm	135
Product Width mm	59
Product Height mm	135
Wheel Diameter	101
Tread Width mm	34
Finish Height mm	135
Mounting Size (G) mm	M12

Appearance

Product Colour	White/Silver
----------------	--------------

Construction

Wheel Core Material	Nylon
Wheel Material	Nylon
Housing Material	Stainless Steel
Bearing Material	Stainless Steel
