

## Description

Easyroll 125mm White Nylon Fixed Plate G7 Series Castor 100kg. The castor is designed for efficient movement of heavy equipment, providing reliable performance for industrial and trade professionals. The wheel core is constructed in polypropylene while the nylon wheel and plain bearing support smooth rolls. A rigid plate mount and steel housing contribute to a robust design. Carbon steel bearings and a single raceway further enhance operational reliability in both outdoor and indoor applications.

## Features

- Durable steel housing for robust performance
- Nylon wheel minimises friction and resists wear
- Polypropylene wheel core maintains structural integrity
- Carbon steel bearings ensure smooth plain rotation
- Single raceway design supports simple, reliable movement
- Rigid plate mount guarantees secure installation
- Engineered for both indoor and outdoor use
- Easyroll quality delivers dependable performance in everyday tasks

**Product Code: G73AS48G125**

## Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Plain Bearing
Raceway Type	Single
Attachments	Plate Rigid

## Appearance

Product Colour	White/Silver
----------------	--------------

## Construction

Wheel Core Material	Polypropylene
Wheel Material	Nylon
Housing Material	Steel
Bearing Material	Carbon Steel

## Weights

Product Weight (grams)	560
Product Weight (kg)	0.56
Load Capacity kg	100.0

## Dimensions

Product Length mm	128
Product Width mm	70
Product Height mm	164
Wheel Diameter	128
Tread Width mm	35
Mounting Hole Dimensions mm	12.5x8.9
Hole Centre Dimensions mm	74x48
Plate Dimensions mm	95x70
