

Product Code: G73AS63K125

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Attachments	Plate Rigid

Appearance

Product Colour	Grey/Silver
----------------	-------------

Construction

Wheel Core Material	Polypropylene
Wheel Material	Polyurethane
Housing Material	Steel
Bearing Material	Carbon Steel

Description

Easyroll 125mm Grey Urethane Fixed Plate G7 Series Castor 100kg features a robust construction with a polypropylene wheel core, polyurethane wheel, steel housing, and carbon steel ball bearings. This castor is designed for efficient load management and smooth manoeuvrability. Its rigid plate mount attachment facilitates straightforward installation, making it a valuable solution for trade professionals seeking dependable and practical equipment for both outdoor and indoor applications.

Features

- Steel housing ensures robust support and lasting durability
- Polyurethane wheel offers reduced wear in demanding use
- Carbon steel ball bearings provide smooth reliable rotation
- Polypropylene wheel core increases overall stability
- Fixed plate design enhances precise fit and alignment
- Single raceway configuration supports even load distribution
- Grey and silver finish blends with various settings
- Suitable for both indoor and outdoor applications
