SIT Steel Crimped Wire Wheel 100x16mm x M6

Product Code: GG103

Description

SIT Steel Crimped Wire Wheel 100mm x M6 is a robust industrial tool offering precise material removal and surface preparation. The wheel is constructed with crimped steel wires in a silver/red finish, designed to deliver stability and consistency at up to 10,000 RPM. It provides technical performance and durability for professionals handling cleaning, deburring, and maintenance tasks in various operational settings.

Features

- Constructed with durable steel for long-lasting operation
- Crimped wire design improves cleaning retention and durability
- Operates at 10000 rpm for rapid cleaning
- Silver and red finish complements various machine aesthetics
- Suitable for indoor and outdoor applications
- Precision M6 mounting ensures secure brush attachment
- Engineered for high performance wheel cleaning tasks
- Crimped design provides consistent brush contact with surfaces

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	10000
Wire Style	Crimped Wire

Appearance

Product Colour	Silver/Red

Construction

Brush Material	Steel

Dimensions

Mounting Size (mm)	6

Weights

Product Weight (kg)	0.00028
Product Weight (grams)	0.28
