

SIT Stainless Steel Crimped Wire Wheel 43mm x M6

Description

SIT Stainless Steel Crimped Wire Wheel 43mm x M6 is engineered for efficient surface cleaning and maintenance tasks. The crimped wire design features stainless steel bristles that operate reliably at speeds up to 18000 RPM, resulting in consistent material removal and surface refinement. Its silver and green finish performs well indoors and outdoors, providing trade professionals with a durable tool for precise cleaning and preparation operations.

Features

- Stainless steel bristles built for long service life
- Crimped wire design secures each brush fibre
- Compatible with indoor and outdoor cleaning applications
- Wheel supports speeds up to 18000 rpm
- High-quality crimped wire for precise cleaning action
- Durable silver green finish aids quick visual identification
- Precise 43mm wheel dimension caters to efficiency requirements
- Engineered wheel structure delivers reliable cleaning performance

Product Code: GG43SS
