

SIT Steel Crimped Wire Wheel 80mm x M6

Description

SIT Steel Crimped Wire Wheel 80mm x M6 is a crimped wheel brush designed by SIT with a silver and red finish and built using durable steel crimped wire. It is engineered for efficient cleaning and surface preparation, operating at a maximum speed of 12000 RPM. The product offers practical performance for trade professionals by providing reliable and effective material removal in both indoor and outdoor settings.

Features

- Steel bristles built for robust, reliable performance
- Crimped wire design increases abrasion on surfaces
- Compatible with indoor and outdoor usage
- Handles speeds up to 12000 revolutions per minute
- Silver and red finish for clear product identification
- 80mm brush size supports versatile cleaning tasks
- Precision engineered for consistent performance
- Crimped wheel design promotes durable long lasting operation
