

Product Code: HDAB3806

Description

Carinya 380 x 380mm Black Angle Bracket is designed to provide a secure and robust support solution for trade professionals. Constructed with powder coated steel in a black finish, it delivers consistent strength and durability. Engineered for precise mounting and alignment, the bracket facilitates stable connections between structural elements, enhancing the ease of installation and improving overall support in various applications.

Features

- Engineered with durable powder coated steel for structural integrity
- Precision designed black finish for a professional look
- Robust fixed-angle support in a 380 x 380mm size
- Engineered for secure joint reinforcement in construction
- Uniform finish enhances aesthetics and corrosion resistance
- Meticulously fabricated for consistent performance in demanding tasks
- Sturdy construction supports various load-bearing applications
- Simple design facilitates quick and accurate installation
