

Easyroll 75mm Cast Iron Fixed Plate I2 Series Castor 115kg

Description

Easyroll 75mm Cast Iron Fixed Plate I2 Series Castor 115kg is constructed with a cast iron wheel and wheel core, complemented by a steel housing and steel plain bearings for steady performance. It features a rigid plate attachment and is designed for secure plate mounting, offering dependable load support and controlled manoeuvrability. The castor provides consistent, practical functionality for professionals managing heavy equipment in internal settings.

Features

- Cast iron wheel and core offer reliable durability
- Steel housing and bearings provide sturdy construction
- Fixed plate design ensures easy and secure mounting
- Plain bearing system facilitates smooth movement
- Single raceway structure supports steady directional control
- Engineered with quality materials for indoor performance
- Cast iron finish in grey and silver tones
- Supports load capacity up to 115kg

Product Code: I23A16G75

Specifications

Outdoor Use	No
