

Product Code: I32TZ-NL9K100

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Ball Bearing
Raceway Type	Single
Brake Type	Total

Appearance

Product Colour	White
----------------	-------

Construction

Wheel Core Material	Plastic
Wheel Material	Nylon
Housing Material	Steel
Bearing Material	Steel

Description

Colson 100mm White Nylon Swivel Plate Brake I3 Series Castor 230kg is designed to deliver reliable manoeuvrability with a durable white nylon wheel mounted on a robust steel housing. It comprises a plastic wheel core and ball bearings with a single raceway, supporting both indoor and outdoor applications. The plate mount design and total brake system provide precision control for professional trade applications.

Features

- Robust steel housing and bearing construction
- White finish provides a clear, professional appearance
- Plate mount design offers flexible installation options
- Nylon wheel material provides smooth, reliable movement
- Plastic wheel core delivers lightweight operational performance
- Single raceway ball bearings support smooth swivel action
- Total brake mechanism provides secure mobility control
- Engineered for both indoor and outdoor operation
