

Easyroll 125mm Urethane I3 Series Castors 250kg 1PC

Description

Easyroll 125mm Urethane I3 Series Castors 250kg 1PC. These castors are engineered for efficient movement and robust performance in trade applications. The red design features a durable steel housing combined with a nylon wheel core and polyurethane wheel, while the ball-bearing and single raceway system ensure smooth rotation. The plate swivel brake provides total lock functionality and secure attachment, offering reliable handling and precise control for professional users.

Features

- Robust steel housing for secure and stable movement
- Nylon core minimises maintenance in heavy wear applications
- Polyurethane wheel ensures smooth and quiet rolling
- Steel ball bearings offer reliable rotational performance
- Single raceway design reduces friction during motion
- Plate swivel brake attachment provides total lock support
- Suitable for both outdoor and indoor use
- Engineered for 250kg capacity and high performance
