

Description

Easyroll 80mm Urethane I3 Series Castors 150kg 1PC are designed for effective movement and handling in trade and professional settings. Constructed with a robust steel housing, nylon wheel core and polyurethane wheel material, they incorporate a ball bearing system for smooth rotation. The integrated plate swivel brake with a total lock mechanism ensures controlled mobility and secure static positioning. These castors offer dependable performance for quality and longevity.

Features

- Robust steel housing delivers reliable support
- Red polyurethane wheel ensures smooth surface movement
- Durable nylon wheel core maintains form integrity
- Ball bearing system offers smooth caster rotation
- Total lock brake offers secure fixed positioning
- Plate fitting secures stable, straightforward installation
- Steel bearings provide low-friction rotational performance
- Operates reliably indoors and outdoors

Product Code: I32TZ50K80

Specifications

|              |                    |
|--------------|--------------------|
| Outdoor Use  | Yes                |
| Indoor Use   | Yes                |
| Bearing Type | Ball Bearing       |
| Raceway Type | Single             |
| Brake Type   | Total Lock         |
| Attachments  | Plate Swivel Brake |

Appearance

|                |     |
|----------------|-----|
| Product Colour | Red |
