

Description

Colson 125mm Blue Rubber Bolt Hole I6 Series Castor 180kg is a precision-engineered mobility solution featuring a 16 Series castor design with a load capacity of 180kg. It utilises a robust steel housing and bearing in combination with a polyamide wheel core and blue rubber wheel, paired with dual raceways for enhanced stability. The bolt fitting ensures secure attachment, making it a practical choice for efficient equipment handling in trade and industrial applications.

Features

- Precision steel bearings provide smooth roll performance
- Dual raceway design ensures balanced load distribution
- Robust steel housing with bolt fitting secures heavy loads
- Durable blue rubber wheels ensure reliable directional control
- Polyamide core reinforces wheel structural integrity
- Bolt hole fitting ensures secure mounting and alignment
- Indoor and outdoor compatibility guarantee versatile deployment
- 125mm castor engineered for 180kg load capacity

Product Code: I61AZ-EL1K125

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Precision Bearing
Raceway Type	Dual
Fitting Type	Bolt Hole

Appearance

Product Colour	Silver/Blue
----------------	-------------

Construction

Wheel Core Material	Polyamide
Wheel Material	Blue Rubber
Housing Material	Steel
Bearing Material	Steel

Dimensions

Product Length mm	136
Product Width mm	70
Product Height mm	156
Wheel Diameter	125
Tread Width mm	40
Finish Height mm	156
Mounting Size (G) mm	12.5
