

Description

Colson 100mm Performa TPR Fixed Plate J3 Series Castor 200kg is part of the COLSON range. It features a blue hi-tech Performa TPE wheel with a polypropylene core, housed in steel and supported by double ball bearings within a dual raceway. Designed for trade professionals, it ensures reliable manoeuvrability and precise movement in a variety of setups. The fixed plate design facilitates secure installation and effective load distribution.

Features

- Robust steel housing ensures durability and long service life
- Blue Hi Tech Performa Tpe wheels provide smooth rolling
- Double ball bearing design offers reliable rotation
- Double raceway design supports stable rolling
- Polypropylene wheel core delivers strength with lightweight profile
- Bold blue, black and silver finish for visual clarity
- Fixed plate design ensures secure mounting
- Supports 200kg load capacity for heavy-duty tasks

Product Code: J33AZ-

Specifications
