

Easyroll 150mm Swivel Plate J7 Series Castor 500kg

Product Code: J72TZ82G150

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Plain Bearing
Raceway Type	Single
Attachments	Plate Rigid

Appearance

Product Colour	Black/Silver/Red
----------------	------------------

Construction

Wheel Core Material	Cast Iron
Wheel Material	Cast Iron
Housing Material	Steel
Bearing Material	Steel

Description

Easyroll 150mm Swivel Plate J7 Series Castor 500kg. This castor integrates a robust cast iron wheel with a durable cast iron core and is housed in strong steel supported by a plain bearing. It features a single raceway design and a rigid plate attachment with a plate mount. The black, silver and red finish enhances identification. Its reliable performance offers value to industrial and trade professionals in both indoor and outdoor settings.

Features

- Sturdy cast iron wheel with durable cast iron core
- Steel housing ensures robust performance in demanding conditions
- Plain bearing design simplifies maintenance and operation
- Plate mount fitting delivers fixed and reliable attachment
- Compatible with both indoor and outdoor applications
- Heavy load rating up to 500kg with secure swivel mechanism
- Available in black, silver, and red finish colour
- Engineered for efficient performance and extended usage life
