

Description

Precision Brand Rectangle Key Steel 10x16mm Metric Steel is manufactured from C1020 to C1045 steel and finished in a gold hue. It is engineered for precision tasks, offering a robust and consistent form ideal for technical applications. The product comes with integrated hardware and utilises metric measurements, ensuring compatibility with standard components. Its straightforward design and sturdy construction make it a reliable choice for professionals seeking accuracy and dependable functionality in setup projects.

Features

- Manufactured using C1020 to C1045 quality steel
- Gold polished finish offers a refined distinctive appearance
- Engineered for indoor use with precision crafted tolerances
- Hardware included for secure stable assembly integration
- Metric dimensions support accurate measurement and alignment
- Precision Brand manufacturing ensures reliable consistent quality
- Rectangular design optimises fit in key assembly applications
- 10x16mm size delivers versatile precise functionality

Product Code: KS10X16MM

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Gold
----------------	------

Construction

Product Material 1	C1020 to C1045 Steel
--------------------	----------------------

Weights

Product Weight (grams)	390
Product Weight (kg)	0.39

Dimensions

Product Height (mm)	16
Product Width (mm)	10
Product Length (mm)	300
