

Description

Precision Brand Rectangle Key Steel 11x18mm Metric Steel is a component designed for keying applications in mechanical systems. Constructed from C1020 to C1045 steel with a gold finish, it offers consistent dimensional accuracy and includes integrated hardware. Trade professionals benefit from its precise design that supports locking and alignment tasks in indoor settings, thereby facilitating efficient production and maintenance operations.

Features

- Precision Brand key steel manufactured for reliability
- Fabricated from C1020 to C1045 steel
- Gold finish aids in easy identification
- Includes necessary hardware for secure installation
- Metric sizing supports accurate component replacement
- Rectangle shape provides clear key alignment
- Engineered for dimensional accuracy and tight tolerance
- Designed for indoor use in stable conditions

Product Code: KS11X18MM

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Gold
Construction	
Product Material 1	C1020 to C1045 Steel

Weights

Product Weight (grams)	480
Product Weight (kg)	0.48

Dimensions

Product Height (mm)	265
Product Width (mm)	11
Product Length (mm)	18

Specifications

Unit of Measure	Metric
