

Precision Brand Square Key Steel 14x14mm Metric Steel

Description

Precision Brand Square Key Steel 14x14mm Metric Steel is a key made from C1020 to C1045 steel finished in a gold colour. It is designed for precise applications by trade professionals in indoor settings. The product comes with necessary hardware and is measured in metric units, ensuring compatibility with technical requirements. Its robust construction supports dependable performance and ease of installation, making it a valuable component for professionals seeking straightforward, reliable solutions.

Features

- Crafted from high-quality C1020 to C1045 steel
- Square design ensures ease of alignment in assembly
- Precision manufacture guarantees uniform dimensions and reliable fit
- Gold finish offers clear identification without fading concerns
- Metric dimensions provide accuracy in technical assembly
- Inclusion of hardware simplifies installation and overall application
- Standard sizing supports compatibility with existing system components
- Robust construction contributes to long service life and durability

Product Code: KS14X14MM
