

Description

Precision Brand Rectangle Key Steel 18x32mm Metric Steel is a key steel manufactured from C1020 to C1045 steel and finished in gold. It features included hardware that supports correct assembly and precise alignment in technical projects. The component provides trade professionals with consistency in measurement and construction through its metric design and robust structure. Its reliable build enhances functionality in various assembly tasks, delivering practical performance for detailed and accurate work.

Features

- Constructed from durable C1020 to C1045 steel
- Gold finish provides clear identification
- Metric dimensions guarantee precise fitting
- Engineered for reliable key performance
- Hardware included for installation ease
- Precision manufacturing meets rigorous technical specifications
- Robust design ensures longevity and repeatability
- Trusted brand with proven technical performance

Product Code: KS18X32MM

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Gold
----------------	------

Construction

Product Material 1	C1020 to C1045 Steel
--------------------	----------------------

Weights

Product Weight (grams)	1,395
Product Weight (kg)	1.395

Dimensions

Product Height (mm)	32
Product Width (mm)	18
Product Length (mm)	300

Specifications

Unit of Measure	Metric
