

Description

Precision Brand Rectangle Key Steel 6x12mm Metric Steel is crafted using C1020 to C1045 steel, providing a stable and dependable component for precision assemblies. The gold colour facilitates clear identification and contributes to a practical design for indoor use. The product includes essential hardware that simplifies secure installation. It offers technical efficiency and robust performance, making it a valuable asset for industrial and trade professionals focused on accuracy and reliable connectivity in their projects.

Features

- Crafted from C1020 to C1045 quality steel
- Gold finish adds distinctive aesthetic appeal
- Engineered for efficient indoor application use
- Integrated hardware assures secure installation
- Metric sizing provides a precise 6x12mm fit
- Consistent manufacturing by trusted Precision Brand expertise
- Robust build supports demanding technical operations
- Designed for practical precision and reliable performance

Product Code: KS6X12MM

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Gold
----------------	------

Construction

Product Material 1	C1020 to C1045 Steel
--------------------	----------------------

Weights

Product Weight (grams)	175
Product Weight (kg)	0.175

Dimensions

Product Height (mm)	12
Product Width (mm)	6
Product Length (mm)	300

Specifications

Unit of Measure	Metric
