

Description

Precision Brand Rectangle Key Steel 7x18mm Metric Steel is a precision-engineered component built from C1020 to C1045 Steel. It features a gold finish and includes hardware for metric applications in indoor settings. The product delivers reliable performance in key operations and supports secure alignment in various assemblies. Trade professionals appreciate its robust design and technical advantages, which contribute to efficient and accurate maintenance and assembly tasks.

Features

- High-grade C1020 to C1045 steel ensures lasting durability
- Distinctive gold finish adds an elegant aesthetic
- Precision fabrication supports consistent key performance
- Metric sizing provides accurate measurements for clear assembly
- Robust build designed for secure indoor operation
- Includes integrated hardware for secure key assembly
- Engineered by Precision Brand for reliable key use
- Focused technical design enhances user key handling

Product Code: KS7X18MM

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Gold
----------------	------

Construction

Product Material 1	C1020 to C1045 Steel
--------------------	----------------------

Weights

Product Weight (grams)	305
Product Weight (kg)	0.305

Dimensions

Product Height (mm)	18
Product Width (mm)	7
Product Length (mm)	300

Specifications

Unit of Measure	Metric
