

Description

Precision Brand Rectangle Key Steel 9x14mm Metric Steel is designed for professionals requiring dependable, accurately manufactured key solutions using quality C1020 to C1045 steel. The gold-coloured key steel is engineered with consistent precision to ensure seamless integration into a variety of applications. Its metric design and hardware inclusion deliver practical benefits for trade professionals seeking reliable, technical performance in their projects.

Features

- Fabricated from C1020 to C1045 steel
- Gold finish enhances identification in various applications
- 9x14 mm key steel design for precise operation
- Engineered for reliable and repeatable performance
- Integrated hardware included for efficient installation
- Indoor use design suited for controlled environments
- Precision Brand quality assures consistent product standards
- Metric units support accurate technical specifications

Product Code: KS9X14MM

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Gold
----------------	------

Construction

Product Material 1	C1020 to C1045 Steel
--------------------	----------------------

Weights

Product Weight (grams)	305
Product Weight (kg)	0.305

Dimensions

Product Height (mm)	14
Product Width (mm)	9
Product Length (mm)	300

Specifications

Unit of Measure	Metric
