Carinya 150 x 125mm White Light Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 150 x 125mm White Light Stayed Bracket is a precision-engineered fixture designed for secure mounting in technical installations. Constructed from powder coated steel with a white finish, it delivers durable support and simplifies assembly for electrical and lighting applications. Industrial and trade professionals benefit from its robust construction and practical design, which provide reliable performance and ease of integration in various installation scenarios.

Features

- Constructed from powder coated steel enhancing durability
- White finish provides uniform identification
- Engineered for stability in mounted applications
- Precision design supports reliable anchored load distribution
- Powder coated steel construction offers robust durability
- Straightforward assembly simplifies installation process
- Compact 150 x 125mm size fits various spatial constraints
- Manufactured by Carinya ensuring trusted performance

Product Code: LS11W

Dimensions

Product Length (mm)	150
Product Width (mm)	125
Product Height (mm)	28
Product Thickness (mm)	2
Diameter of Fixing Holes (mm)	3.9

Weights

Load Capacity (kg)	100.0

Appearance

Product Colour	White

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
