Carinya 25 x 25 x 20 x 1mm Galvanised Make-A-Bracket

BRACKET DIMENSIONS

Description

Carinya 25 x 25 x 20 x 1mm Galvanised Make-A-Bracket is constructed from galvanised steel with a zinc-plated finish, ensuring reliable performance and extended durability. It offers a robust solution for secure fixture installations in various professional applications. Its precise dimensions provide efficient integration, meeting the demanding technical requirements of trade professionals who need dependable components for construction and assembly tasks.

Features

- Zinc-plated finish enhances resistance to corrosion
- Fabricated from galvanised steel for exceptional strength and durability
- Engineered for reliable support in fixed installations
- Designed for adaptable user defined mounting solutions
- Precision fabrication ensures uniform high quality performance
- Robust construction delivers secure and stable mounting
- Simple installation supports efficient project workflow
- Consistent quality assured by Carinya manufacturing process

Product Code: MA0002

Dimensions

Product Length (mm)	26
Product Width (mm)	26
Product Height (mm)	20
Product Thickness (mm)	1
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	Galvanised

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
