Carinya 25x25x40x1mm Galvanised Angle Make-A-Bracket - 8 Pack

Description

Carinya 25x 25 x 40 x 1mm Galvanised Angle Make-A-Bracket - 8 Pack is designed with galvanised steel and a zinc-plated finish to provide stable support in assembly tasks. The brackets are precision-engineered to enable accurate alignment and secure joining of components in frames and support structures. Trade and industrial professionals benefit from their consistent build quality and practicality for modular construction and repair applications, ensuring reliable technical performance in various projects.

Features

- Zinc-plated finish reduces corrosion on bracket surfaces
- Constructed of galvanised steel for reliable strength
- Precision engineered for accurate alignment in bracket installation
- 8 pack ensures immediate multiple bracket utilisation
- Engineered for secure mechanical fixation in angle support
- Dimensions ensure compatibility with standard connection designs
- Straightforward assembly with minimal additional hardware required
- Balanced bracket geometry supports precise structural joint assembly

Product Code: MA0003P

Dimensions

Product Length (mm)	26
Product Width (mm)	26
Product Height (mm)	40
Product Thickness (mm)	1
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
