

Carinya 25 x 50 x 40 x 1mm Galvanised Angle Make-A-Bracket - 8 Pack

Product Code: MA0004P

Description

Carinya 25 x 50 x 40 x 1mm Galvanised Angle Make-A-Bracket - 8 Pack offers robust, zinc-plated angle brackets made from galvanised steel. This component provides precise support and a reliable connection for various repair tasks and construction projects. The pre-determined dimensions ensure easy compatibility with different frameworks while delivering consistent strength. Its dependable build meets the needs of trade professionals seeking efficient and practical solutions in structural applications.

Features

- Galvanised steel construction provides robust support
- Zinc-plated finish offers corrosion resistance
- Precise 25x50x40x1mm dimensions for accurate installation
- Provides flexibility for various mounting applications
- Pack of eight brackets for multiple installations
- Reliable design ensures secure and stable joint connections
- Consistent manufacturing quality supports repeatable installation outcomes
- Engineered for precise alignment and structural stability
