

Carinya 40 x 60 x 150 x 2mm Galvanised Angle Make-A-Bracket

BRACKET DIMENSIONS

Description

Carinya 40 x 60 x 150 x 2mm Galvanised Angle Make-A-Bracket is a robust galvanised steel bracket, finished in zinc plating for durability and precise support. Designed for secure component connection, it offers accurate dimensions and engineered stability, appealing to trade professionals focused on dependable performance. Its straightforward design supports efficient installation and reliable reinforcement in assembling diverse structures while maintaining the practical benefits essential for effective construction and repair applications.

Features

- Zinc plated finish protects against surface corrosion
- Constructed from galvanised steel for lasting performance
- Accurate dimensions 40 by 60 by 150 by 2mm
- Rigid design ensures stable structural support
- Easy to install bracket simplifies mounting tasks
- Neat aesthetic with uniform zinc plated appearance
- Carinya quality with reliable construction and finish
- Versatile for numerous assembly and support applications

Product Code: MA0024

Dimensions

Product Length (mm)	61
Product Width (mm)	41
Product Height (mm)	151
Product Thickness (mm)	2
Diameter of Fixing Holes (mm)	5

Appearance

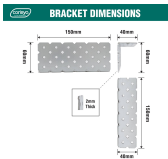

Product Colour	Zinc Plated
----------------	-------------

Construction

Product Material 1	Galvanised Steel
--------------------	------------------

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
