Carinya 40 x 20 x 600 x 1mm Galvanised Angle Make-A-Bracket

Description

Carinya 40 x 20 x 600 x 1mm Galvanised Angle Make-A-Bracket is a precision component made from galvanised steel with a zinc-plated finish. It is designed for secure mounting and effective support during construction and repair tasks. The bracket offers clear and robust alignment solutions, ensuring efficient fixation and structured assembly. Trade professionals benefit from its consistency and thoughtful design for reliable performance in various technical applications.

Features

- Made of galvanised steel for reliable bracket performance
- Zinc-plated finish enhances corrosion resistance and durability
- Compact 40x20x600x1mm design supports multiple fixings
- Robust design ensures secure and stable support
- Precision engineering delivers consistent fit and reliable performance
- Carinya quality manufacturing guarantees lasting bracket reliability
- Simple installation with well-defined mounting surfaces
- Durable galvanised steel construction withstands demanding applications

Product Code: MABA6421

Dimensions

Product Length (mm)	41
Product Width (mm)	20
Product Height (mm)	600
Product Thickness (mm)	1
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
