Carinya 60 x 40 x 600 x 1mm Galvanised Angle Make-A-Bracket

Description

Carinya 60 x 40 x 600 x 1mm Galvanised Angle Make-A-Bracket is constructed from galvanised steel with a zinc-plated coating, ensuring durability and corrosion resistance. It is designed for applications requiring precise alignment and reliable support in construction assemblies and fabrication tasks. Its robust build and accurate dimensions provide consistent performance, making it a practical solution for trade professionals who value technical precision and dependable reinforcement in their projects.

Features

- Constructed from galvanised steel for reliable strength
- Zinc-plated finish provides durable corrosion protection
- Precision engineered design supports secure bracket mounting
- Flange dimensions ensure stable fixture connections
- Exact dimensions support precise bracket fitting
- Robust build designed for secure practical connections
- Superior metal finish offers enhanced longevity and performance
- Reliable bracket framework simplifies maintenance and assembly

Product Code: MABA6641

Dimensions

Product Length (mm)	60
Product Width (mm)	40
Product Height (mm)	600
Product Thickness (mm)	1
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
