# Carinya 40 x 200 x 2mm Galvanised Flat Plate Make-A-Bracket

## BRACKET DIMENSIONS

## Description

Carinya 40 x 200 x 2mm Galvanised Flat Plate Make-A-Bracket is a robust bracket designed for mounting and supporting various structures and components in professional settings. The bracket is crafted from galvanised steel with a zinc-plated finish to offer durability and resistance to wear. It provides secure, level support and precise load distribution, contributing efficiency and dependability in design and repair operations for industrial and trade professionals.

## Features

- Robust galvanised steel bracket component for reliable performance
- Zinc plated finish adds corrosion resistance and durability
- Flat plate design offers versatile application and secure mounting
- Precision dimensions allow accurate fitting and improved assembly
- Engineered for uniform load distribution and structural integrity
- Simple design facilitates quick custom bracket fabrication
- Quality materials ensure long lasting bracket performance
- Refined finish improves appearance and reduces maintenance

## Product Code: MABF2042

### Dimensions

| | |
|---|---|
| Product Length (mm) | 201 |
| Product Width (mm) | 40 |
| Product Height (mm) | 2 |
| Product Thickness (mm) | 2 |
| Diameter of Fixing Holes (mm) | 5 |

### Appearance

| | |
|---|---|
| Product Colour | Zinc Plated |

### Construction

| | |
|---|---|
| Product Material 1 | Galvanised Steel |

### Specifications

| | |
|---|---|
| Outdoor Use | No |
| Indoor Use | Yes |
| Hardware Included | No |
