Carinya 600 x 80 x 1mm Galvanised Flat Plate Make-A-Bracket

BRACKET DIMENSIONS

Description

Carinya 600 x 80 x 1mm Galvanised Flat Plate Make-A-Bracket is a flat plate bracket manufactured from galvanised steel with a zinc-plated finish. It is designed for securing and aligning structural components in a variety of assembly tasks, offering a robust, practical solution for trade professionals. The bracket delivers reliable performance and precise fitting, streamlining installation processes while maintaining high standards of workmanship.

Features

- Galvanised steel flat plate provides dependable structural support
- Zinc-plated finish resists corrosion for reliable durability
- Precision-cut dimensions ensure accuracy in installation
- Compact design allows versatile bracket configurations
- Flat plate profile simplifies fabrication and mounting procedures
- Structural integrity maintained under demanding installations
- Engineered for precise fit in bracket assembly systems
- Durable finish supports long operational life span

Product Code: MABF6081

Dimensions

Product Length (mm)	599
Product Width (mm)	80
Product Height (mm)	1
Product Thickness (mm)	1
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
