

Carinya 100 x 100 x 50 x 1mm Galvanised L-Shape Make-A- Bracket

Description

Carinya 100 x 100 x 50 x 1mm Galvanised L-Shape Make-A-Bracket is a precision-engineered bracket designed for reliable support in various assembly applications. It is constructed from galvanised steel and features a zinc-plated finish, ensuring durability and strength. The L-shape design allows for practical alignment and secure fixation, making it a valuable solution for trade professionals who require dependable performance in structural and fabrication projects.

Features

- Constructed from robust galvanised steel
- Zinc plated finish enhances corrosion resistance
- Precision dimensions support secure installation
- Efficient L shape design for load distribution
- Compact bracket fits diverse mounting requirements
- Simplifies assembly with precise cut dimensions
- Reliable Carinya construction for trusted performance
- Engineered design provides strong joint support
