Carinya 150 x 140 x 50 x 1mm Galvanised L-Shape Make-A-Bracket

BRACKET DIMENSIONS

Description

Carinya 150 x 140 x 50 x 1mm Galvanised L-Shape Make-A-Bracket is a precision-created bracket designed for practical applications in construction and trade tasks. It is manufactured from galvanised steel with a zinc-plated finish, ensuring robust corrosion resistance and durability. The bracket offers secure load-bearing support in framework assemblies and panel fixings, providing technical benefits and dependable performance for maintenance professionals and tradespeople engaged in various assembling projects.

Features

- Zinc-plated galvanised steel construction for long lasting support
- Accurate dimensions provide secure fit during mounting
- Robust L shape design distributes load across bracket
- Smooth zinc finish offers enhanced durability and appearance
- Engineered for precise installation and reliable performance
- Compact bracket design simplifies secure structural joining
- High strength material endures operational stress levels well
- Versatile mounting options suit diverse construction applications

Product Code: MABL06

Dimensions

Product Length (mm)	150
Product Width (mm)	40
Product Height (mm)	140
Product Thickness (mm)	1
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
