Carinya 220 x 200 x 60 x 1mm Galvanised L-Shape Make-A-Bracket

BRACKET DIMENSIONS

Description

Carinya 220 x 200 x 60 x 1mm Galvanised L-Shape Make-A-Bracket is manufactured from galvanised steel with a zinc-plated finish to ensure durability and precise support in various construction and installation tasks. This L-shape bracket provides reliable reinforcement and straightforward installation, offering clear technical advantages for fixing structural components and equipment securely. Its robust design and consistent performance deliver valuable efficiency for trade professionals managing precise mounting requirements.

Features

- Galvanised steel construction ensures strong, durable performance
- Zinc plated finish offers enhanced corrosion resistance
- Accurate dimensions support precise bracket installation
- L shape design provides secure, reliable support
- Engineered for stability under heavy load application
- Precision manufacturing ensures consistent bracket quality
- Simple design enables quick, straightforward mounting
- Versatile bracket suited for custom assembly configurations

Product Code: MABL07

Dimensions

Product Length (mm)	225
Product Width (mm)	60
Product Height (mm)	200
Product Thickness (mm)	1
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
