Carinya 200 x 200 x 60 x 50 x 1mm Galvanised T-Shape Make-A-Bracket

BRACKET DIMENSIONS

Description

Carinya 200 x 200 x 60 x 50 x 1mm Galvanised T-Shape Make-A-Bracket is engineered from galvanised steel with a zinc-plated finish to provide reliable structural reinforcement for various repair and assembly tasks. It is designed with precision dimensions ensuring ease of installation in practical applications. This mending plate bracket offers consistent performance for trade professionals seeking efficient, secure support in their projects.

Features

- Constructed from galvanised steel for lasting durability
- Zinc plated finish improves corrosion protection
- T shape design provides secure mounting for mending applications
- Precisely engineered dimensions ensure consistent alignment with plates
- Simple installation process reduces preparation time
- Compatible with standard bracket fittings for secure installations
- Precision manufacturing delivers exact material fit every time
- Corrosion resistant treatment maintains performance in damp conditions

Product Code: MABT03

Dimensions

Product Length (mm)	200
Product Width (mm)	60
Product Height (mm)	200
Product Thickness (mm)	1
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Galvanised Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
