

Description

Metal Mate 0.5 x 900 x 900mm Aluminium Flat Sheet is a precision-engineered flat sheet made from high quality aluminium with a silver finish. It is designed to provide dependable support and consistent alignment for fabrication projects and structural assemblies. Trade professionals appreciate its reliable performance and ease of integration into a variety of technical applications, ensuring accurate construction and assembly tasks while maintaining a streamlined, practical design.

Features

- Made from aluminium for lightweight durability
- Consistent flat shape for precise installation
- Crisp silver finish enhances professional appearance
- Standard dimensions simplify planning and custom fit
- Precisely cut in 900 x 900mm measurements
- 0.5mm thickness supports dependable structural performance
- Engineered for uniform flatness and stability
- Long-lasting aluminium composition resists routine wear
