

Description

Metal Mate 0.5 x 300 x 900mm Aluminium Flat Sheet is a precision-engineered flat sheet designed for fabrication and joining applications. Made from high-quality aluminium and finished in silver, it offers consistent thickness and form, providing reliable structural support for various assembly and construction projects. Its flat shape and robust material properties deliver dependable performance for industrial and trade professionals who require precision and durability in their work.

Features

- High quality aluminium construction delivers reliable performance
- Flat shape ensures stable and straight installation
- Crisp silver finish offers a clean, utilitarian look
- Consistent gauge supports precise measurements and planning
- Standard 0.5 x 300 x 900 mm dimensions deliver accuracy
- Engineered for efficient fabrication and reliable processing
- Minimal form aids safe handling and accurate cutting
- Metal Mate brand guarantees quality through precise manufacturing
