

Product Code: P10A22K75

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Bearing Type	Precision Bearing
Raceway Type	Single
Fitting Type	Bolt Hole

Appearance

Product Colour	Grey/Silver/White
----------------	-------------------

Construction

Wheel Core Material	Polypropylene
Wheel Material	Rubber
Housing Material	Plastic
Bearing Material	Carbon Steel

Description

Colson 75mm Bolt Hole Swivel P1 Series Castor 50kg is engineered for material handling applications where reliability and manoeuvrability are key. This castor is constructed with durable plastic housing, precision bearing carbon steel, and rubber wheels featuring a polypropylene core. Its bolt fitting ensures secure installation, and the single raceway provides smooth rotation. Suitable for both indoor and outdoor use, it delivers functional mobility and ease of integration in professional trade settings.

Features

- Lightweight castor with bolt hole fitting
- Durable polypropylene wheel core resists industrial wear
- Precision carbon steel bearings for reliable swivel movement
- Rubber wheel surface provides excellent traction
- Robust plastic housing built for everyday use
- Tested performance in outdoor and indoor applications
- Single raceway design minimises friction losses
- 50kg load capacity supports standard operational demands

Dimensions

Product Length mm	965
Product Width mm	635
Product Height mm	98
Wheel Diameter	75
Tread Width mm	23.5
Finish Height mm	98
