Description

Proval Shintoe Shoe/Boot Cover with PVC Sole is crafted from polypropylene in a white finish. This disposable boot cover offers a non-slip sole, elastic ankle and elasticated top for a secure and adaptable fit. Designed for medical, food processing, food services, food manufacturing, pharmaceutical, maintenance and cleaning applications, it provides practical protection and minimises cross-contamination risks through its robust and thoughtfully engineered design.

Features

- Durable polypropylene construction ensures reliable boot cover performance
- Disposable design supports hygienic practices
- Non slip sole enhances user safety on varied surfaces
- Built with water resistant attributes for added moisture protection
- Dust and dirt resistant finish maintains a tidy look
- Elastic ankle and top ensure secure yet flexible fit
- Food safe material meets demanding hygiene requirements
- Ideal for cleaning, food processing, pharmaceutical and maintenance
