

Description

Proval Surefoot PP Shoe Cover is a blue polypropylene product designed for use in medical, laboratory, hospital, pharmaceutical, forensic, diagnostic, veterinary, aged care, dental, clean room and maintenance settings. It features breathable, food safe and disposable construction with a non-slip sole and an elasticated top to ensure secure coverage. The practical design provides reliable protection for floors, carpets and tiles, demonstrating clear technical advantages for trade professionals in high-demand environments.

Features

- High-quality polypropylene construction ensures reliable protective function
- Elasticated top secures cover comfortably over shoe opening
- Non-slip sole enhances grip on smooth and uneven surfaces
- Breathable material minimises moisture for extended wear
- Food safe design meets requirements for clean environments
- Disposable construction offers convenient single-use floor protection
- Dust and dirt resistant to maintain cleanliness during use
- Versatile for medical, laboratory, forensic and tradesman settings
