Carinya 63.5 x 20 x 20 x 2mm Zinc Plated Reinforcing Angle Bracket - 4 Pack

Description

Carinya 63.5 x 20 x 20 x 2mm Zinc Plated Reinforcing Angle Bracket - 4 Pack is a steel bracket set designed for providing strong structural reinforcement in various assembly applications. The zinc plating enhances durability and offers resistance to corrosion, ensuring longevity in demanding project settings. With precise dimensions and robust construction, these brackets deliver reliable performance, enabling trade professionals to create secure and stable connections in their work.

Features

- Engineered from durable steel for long-lasting load support
- Zinc plated finish resists corrosion and wear
- Precisely dimensioned for secure joint reinforcement
- Compact design fits easily into standard project assemblies
- Pack contains four brackets for convenient multiple applications
- Uniform quality ensures reliable performance in various tasks
- Simple design speeds up installation and alignment
- Carinya engineering ensures balanced load distribution

Product Code: RAB0632P

Dimensions

Product Length (mm)	64
Product Width (mm)	20
Product Height (mm)	20
Product Thickness (mm)	2
Diameter of Fixing Holes (mm)	4.8

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
