

Rocket Steel Crimped Wire Wheel 150mm x 25mm

Description

Rocket Steel Crimped Wire Wheel 150mm x 25mm is designed for precise surface treatment and cleaning applications. It is manufactured using robust steel to ensure durability in both outdoor and indoor settings. The crimped design optimises the removal of debris and corrosion from metal surfaces. Its performance, including high RPM capability up to 6000, offers practical benefits to trade and industrial professionals seeking reliable and efficient tools for maintenance tasks.

Features

- Crimped wheel brushes built with tough steel wire
- Durable construction ensures long service life
- Suitable for indoor and outdoor cleaning tasks
- Designed to reach speeds up to 6000 RPM
- Precisely engineered for effective material removal
- Red finish provides high visibility during operation
- Robust design suited for heavy-duty cleaning applications
- Engineered geometry ensures uniform cleaning performance

Product Code: RB150M

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	6000
Wire Style	Crimped Wire

Appearance

Product Colour	Red
