

# SIT Steel Crimped Conical Brush 100mm x M14

## Description

SIT Steel Crimped Conical Brush 100mm x M14 is a red, steel brush designed with a crimped conical structure for cleaning and surface preparation applications. Its robust construction and high maximum rpm capability support precise, repetitive tasks. The brush offers consistent performance for trade professionals seeking effective maintenance tools. Built from durable steel, it provides a practical solution for a range of operational environments, enhancing efficiency and reliability in routine technical work.

## Features

- Crimped conical design for controlled material removal
- Precision steel bristles for efficient surface treatment
- Suitable for indoor and outdoor cleaning tasks
- Engineered for durability in rigorous applications
- Distinct red finish enables swift product identification
- Maximum speed up to 12500 rpm for enhanced performance
- Constructed with robust steel for extended service life
- Simplified design enables predictable operational behaviour

**Product Code:** RBC100.03

## Specifications

|                   |              |
|-------------------|--------------|
| Outdoor Use       | Yes          |
| Indoor Use        | Yes          |
| Hardware Included | No           |
| Max RPM           | 12500        |
| Wire Style        | Crimped Wire |

## Appearance

|                |     |
|----------------|-----|
| Product Colour | Red |
|----------------|-----|

## Construction

|                |       |
|----------------|-------|
| Brush Material | Steel |
|----------------|-------|

## Dimensions

|                    |    |
|--------------------|----|
| Mounting Size (mm) | 14 |
|--------------------|----|

## Weights

|                        |       |
|------------------------|-------|
| Product Weight (kg)    | 0.183 |
| Product Weight (grams) | 183   |
