

Rocket Steel Crimped Cup Brush 100mm x M14

Description

Rocket Steel Crimped Cup Brush 100mm x M14 is a red crimped cup brush designed with steel wire and durable steel brush material. It offers effective cleaning and surface preparation for professionals in industrial and trade sectors. The brush is engineered to operate at high speeds up to 8500 RPM, ensuring efficient performance under demanding conditions. Its construction supports both indoor and outdoor usage, delivering reliable technical advantages for various maintenance tasks.

Features

- Operates at speeds up to 8500 rpm
- Durable steel construction for reliable cup brush performance
- Offers both indoor and outdoor application versatility
- Red finish enhances visual identification during operation
- Crimped design improves contact and abrasive cutting action
- Precision engineered for consistent performance in demanding tasks
- Designed for fast brush replacement with minimal downtime
- Compatible with M14 threaded accessories for secure integration

Product Code: RBT100.03
