

**Product Code: RMR157P**

## Description

Carinya 157 x 20 x 2mm Zinc Plated Mending Plate - 4 Pack. Constructed from zinc plated steel, these mending plate brackets deliver reliable structural support for repair and reinforcement tasks on timber and metal assemblies. The precise dimensions and robust design facilitate accurate alignment during maintenance and repair activities. The zinc finish enhances corrosion resistance and provides a clean appearance, offering measurable value through straightforward installation and dependable durability.

## Features

- Precision engineered zinc plated steel construction
- Accurate dimensions of 157 x 20 x 2 mm
- Pack contains four mending plate brackets
- Sleek zinc finish resists surface corrosion
- Compact design for versatile structural support
- Robust steel build provides lasting strength
- Standard bracket form enables efficient assembly
- Uniform quality dimensions for reliable performance
