

Easyroll 125mm Red Urethane Swivel Plate S5 Series Castor 230kg

Description

Easyroll 125mm Red Urethane Swivel Plate S5 Series Castor 230kg is engineered for consistent performance in professional applications. Constructed with a polypropylene wheel core, thermoplastic rubber wheel and steel housing, it features a precision bearing with a dual raceway design. The plate swivel attachment ensures easy mounting. This castor delivers dependable mobility and robust technical function for trade professionals requiring practical, durable movement solutions.

Features

- Robust steel housing provides structural stability
- Precision bearings deliver smooth caster pivot
- Polypropylene core reduces weight while maintaining stability
- Thermoplastic rubber wheels offer durability and shock absorption
- Dual raceway design minimises friction and enhances rolling
- Plate mount attachment enables versatile installation
- Swivel mechanism supports smooth directional changes
- Distinct red, white and silver finish offers visual appeal

Product Code: S52AS50R125

Specifications

Outdoor Use	No
Indoor Use	No
Bearing Type	Precision Bearing
Raceway Type	Dual
Attachments	Plate Swivel

Appearance

Product Colour	Red/White/Silver
----------------	------------------

Construction

Wheel Core Material	Polypropylene
Wheel Material	Thermoplastic Rubber
Housing Material	Steel
Bearing Material	Bearing Steel

Weights

Product Weight (grams)	1015
Product Weight (kg)	1.015
Load Capacity kg	230.0

Dimensions

Product Length mm	132
Product Width mm	58
Product Height mm	155
Wheel Diameter	127
Tread Width mm	35
Swivel Radius mm	107
Mounting Hole Dimensions mm	18x9
Plate Dimensions mm	100x85
